**David C. Lam Institute for East-West Studies (LEWI)
Hong Kong Baptist University (HKBU)**

LEWI Working Paper Series is an endeavour of David C. Lam Institute for East-West Studies (LEWI), a consortium with 28 member universities, to foster dialogue among scholars in the field of East-West studies. Globalisation has multiplied and accelerated inter-cultural, inter-ethnic, and inter-religious encounters, intentionally or not. In a world where time and place are increasingly compressed and interaction between East and West grows in density, numbers, and spread, East-West studies has gained a renewed mandate. LEWI's Working Paper Series provides a forum for the speedy and informal exchange of ideas, as scholars and academic institutions attempt to grapple with issues of an inter-cultural and global nature.

Circulation of this series is free of charge. Comments should be addressed directly to authors. Abstracts of papers can be downloaded from the LEWI web page at <http://www.hkbu.edu.hk/~lewi/publications.html>.

Manuscript Submission: Scholars in East-West studies at member universities who are interested in submitting a paper for publication should send an article manuscript, preferably in a Word file via e-mail, as well as a submission form (available online) to the Series Secretary at the address below. The preferred type is Times New Roman, not less than 11 point. The Editorial Committee will review all submissions. The Institute reserves the right not to publish particular manuscripts submitted. Authors should hear from the Series Secretary about the review results normally within one month after submission.

Copyright: Unless otherwise stated, copyright remains with the author. Please do not cite or circulate the paper without the author's consent.

Editors: Ah Chung TSOI, Director of LEWI; Emilie Yueh-yu YEH, Cinema & TV and Associate Director of LEWI.

Editorial Advisory Board: From HKBU: CHEN Ling, Communication Studies; Martha CHEUNG, English Language and Literature; Vivienne LUK, Management; Eva MAN, Humanities; TING Wai, Government and International Studies; WONG Man Kong, History; Terry YIP, English Language and Literature. From outside HKBU: David HAYWARD, Social Economics and Housing, Swinburne University of Technology (Australia).

Disclaimer: David C. Lam Institute for East-West Studies (LEWI), and its officers, representatives, and staff, expressly disclaim any and all responsibility and liability for the opinions expressed, or for any error or omission present, in any of the papers within the Working Paper Series. All opinions, errors, omissions and such are solely the responsibility of the author. Authors must conform to international standards concerning the use of non-published and published materials, citations, and bibliography, and are solely responsible for any such errors.

Further Information about the working paper series can be obtained from the **Series Secretary:**
